

BRAND ROUND-UP

WOMEN'S FASHION

10 Women's Fashion brands to watch out for in 2022!

DNVB -

SALUT BEAUTÉ :

Salut Beauté is an innovative and sustainable Parisian brand that creates colourful, original, and comfortable sets for women. These sets are made with different fabrics from second production circuits recovered from luxury houses or manufacturers from there they are refurbished and made into fashion forward yet powerful suits.

NEW YOUNG TALENTS -

SUPRIYA LELE:

Led by her Indian heritage, British identity, and her passion for minimalism in her creations she uses a deliberately vintage and subversive approach to textiles, cutting and manufacturing, thus elevating them to the rank of “new luxury”.
<https://www.supriyalele.com/>

HELIOT EMIL:

The collections are unisex and monochrome, taking inspiration from Scandinavian heritage and using different fabrics from around the globe.
